

FIG. 1

At present, many of us living in Taiwan still feel the effects of the East Asia financial storm of the late 1990s. However, as we cross over to the years 2000 and 2001, we begin to look forward to Taiwan's second economic miracle. Human beings are what make the changes and advances of history possible.

FIG. 2

At present, many of us living in Taiwan still feel the effects of the East Asia financial storm of the late 1990s.	301
However, as we cross over to the years 2000 and 2001, we begin to look forward to Taiwan's second economic miracle.	302
Human beings are what make the changes and advances of history possible.	303
